Forward-Looking Statements

This presentation contains, in addition to historical information, forward-looking statements. These forward-looking statements, including statements under [SMIC's 2023 Annual Report](#) and the statements contained in the quotes of our Co-Chief Executive Officers and Chief Financial Officer are based on SMIC's current assumptions, expectations, beliefs, plans, objectives, and projections about future events or performance. SMIC uses words like

and similar expressions to identify forward looking statements, although not all forward-looking statements contain these words. These forward-looking statements are necessary estimates reflecting judgment of SMIC's senior management and involve significant risks, both known and unknown, uncertainties and other factors that may cause SMIC's actual performance, financial condition or results of operations to be materially different from those suggested by the forward-looking statements including, among others, risks associated with cyclicity and market conditions in the semiconductor industry, intense competition in the semiconductor industry, SMIC's reliance on a small number of customers, timely wafer acceptance by SMIC's customers, timely introduction of new technologies, SMIC's ability to ramp new products into volume, supply and demand for semiconductor foundry services, industry overcapacity, shortages in equipment, components, raw materials and software, availability of manufacturing capacity, financial stability in end markets, orders or judgments from pending litigation, intensive intellectual property litigation in the semiconductor industry, general economic conditions and fluctuations in currency exchange rates.

In addition to the information contained in this presentation, you should also consider the information contained in our other filings with The Stock Exchange of Hong Kong Limited [SMIC's 2023 Annual Report](#) and Shanghai Stock Exchange [SMIC's 2023 Annual Report](#) from time to time. Other unknown or unpredictable factors also could have material adverse effects on our future results, performance or achievements. In light of these risks, uncertainties, assumptions and factors, the forward-looking events discussed in this presentation may not occur. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date stated or, if no date is stated, as of the date of this presentation. Except as required by applicable laws, SMIC undertakes no obligation and does not intend to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made, or to reflect the possible or actual occurrence of unanticipated events after the date on which such statement is made, whether as a result of new information, future events or otherwise.

About Non-International Financial Reporting Standards (“non-IFRS”) Financial Measures

The consolidated financial information is prepared in accordance with International Financial Reporting Standards (“IFRS”) and is presented in accordance with IFRS unless otherwise stated.

During this presentation, references to financial measures of SMIC will include references to non-IFRS financial measures, including non-IFRS operating expenses and adjusted EBITDA, and EBITDA margin. For an explanation to the most directly comparable IFRS financial measures, see our earnings report.

 - Compared to \$583 million in 1Q21

 - Compared to \$466 million in 2Q20

1H21 Financial Highlights (unaudited)

- **Revenue was \$2,448 million**
compared to \$1,843 million in 1H20
- **Gross profit was \$655 million**
Compared to \$482 million in 1H20
- **Gross margin was 26.8%**
Compared to 26.2% in 1H20
- **Profit attributable to SMIC was \$847 million**
Compared to \$202 million in 1H20
- **EBITDA was \$1759 million**
Compared to \$839 million in 1H20

Income Statement Highlights

- **Revenue** was \$1,344.1 million in 2Q21, an increase of 21.8% QoQ from \$1,103.6 million in 1Q21. Revenue increased mainly due to the increase in wafer shipment and average selling price in 2Q21.
- **Research and development expenses** decreased by 8.5% to \$143.1 million in 2Q21, compared to \$156.3 million in 1Q21. The change was mainly caused by the decrease of R&D activities in 2Q21.
- The change in **other operating income, net** was mainly due to an increase in net

was
